## Unmatched System Reliability

A mirrored image of your data. Just what you need to assure yourself of reliable data reliably transmitted and reliably received. NESTAR's engineers ensure the reliability of your system—and your data—by designing into its products such features as tape backup for hard disk files, automatic check-sums on transmitted data, full duplexing, and mirroring of file servers.

Banks trade and transfer billions of dollars every day. They demand a network that stores, transfers, and retrieves data reliably. Banks trade and transfer their billions of dollars every day over NESTAR networks.
